

NIYALA A N

Attakattukara (H), Eloor East, Ernakulam – 683501
Phone: 9447004551 — Email: niyalanazeer46@gmail.com

PROFILE

Passionate and driven AI & ML professional with hands-on experience in data science, machine learning, and deep learning. Skilled in data preprocessing, model development, and statistical analysis with strong interest in applying AI techniques to solve real-world problems. Seeking job to attain professional knowledge in Machine Learning and Artificial Intelligence for the growth of organization and mine as well.

SKILLS

Programming & Libraries: Python, Java, C++, R, SQL, NumPy, Pandas, Matplotlib, Seaborn

Machine Learning / AI: Scikit-learn, TensorFlow, PyTorch, Keras, OpenCV

Data Handling: Data Cleaning, Feature Engineering, Data Visualization

Tools & Platforms: Jupyter Notebook, VS Code, Google Colab, Git, Azure, Power BI, Excel

Other Skills: Deep Learning, CNN, RNN, LSTM, NLP, Computer Vision, Data Analytics, IIMS, Rag

PROJECTS

Deep Learning-Based Crop Classification Using Hyperspectral Images

- Tools: Python, CNN, Random Forest, Naïve Bayes, OpenCV
- Developed a crop classification system using hyperspectral image data.
- Implemented CNN, Random Forest, and Naïve Bayes models.
- GitHub: <https://github.com/NiyalaNazeer/Deep-Learning-Crop-Classification>

Retrieval-Augmented LLM-Based PDF Query Engine

- Technologies: Python, Gradio, Groq API
 - Developed an AI-powered document assistant that allows users to upload PDFs and ask questions about their content using a Large Language Model (LLM).
 - Built an intelligent PDF Question Answering system using a Retrieval-Augmented Generation (RAG) pipeline.
- GitHub: <https://github.com/NiyalaNazeer/Retrieval-Augmented-LLM-Based-PDF-Query-Engine>

INTERNSHIP & EXPERIENCE

Software Development Intern – Edspiroid Systems Private Limited

February – May 2026

Contributed to the development of an Autonomous AI-based Software Development Life Cycle (SDLC) system using Agentic AI technologies. Worked with Google Gemini Large Language Models, LangChain, LangGraph, Python, and FastAPI for requirement elicitation, feature development, and bug fixing. Participated in Agile Scrum team meetings and implemented various agentic AI patterns to enhance software development workflows.

Data Science Intern – Dataspark Analytics

July – October 2025

Developed interactive dashboards using Power BI. Applied Python and deep learning techniques while working on NLP tasks. Also developed a machine learning based "Income Tax Risk Assessment System by analyzing high-frequency financial transaction data" and implemented using machine learning models by building an interactive Streamlit dashboard.

Java Full Stack Intern*september - november 2024*

Gained hands-on experience in Core Java and database connectivity. Developed five mini projects that strengthened backend development and problem-solving skills.

Marketing & Data Analysis Intern – Linways*April-May 2023*

Collected data from various colleges and analyzed it to support the marketing and data analysis team in decision making. Also guided three MBA students during the internship, showing leadership and teamwork.

RESEARCH PUBLICATIONS

- **AI Detectives: Unraveling Cyber Mysteries through Advanced Forensic Techniques**

Proceedings of National Seminar on Artificial Intelligence & Machine Learning,
ISBN: 978-81-962550-3-9.

- **Harnessing Metaverse Technologies through E-Commerce Evolution**

Proceedings of International Conference on Intelligent Horizons,
ISBN: 978-81-962550-5-3.

- **Deep Learning-Based Crop Classification Using Hyperspectral Images**

Proceedings of International Conference on Recent Trends on Artificial Intelligence(2025)
ISBN : 978-81-985405-4-6

CERTIFICATIONS

Completed an online course on Building Intelligent Chatbots using AI.

Completed an online course on End-to-End RAG Application Development using LangChain and Streamlit.

EDUCATION

Integrated MSc Computer Science (AI & ML)*2022 – till date*

Mahatma Gandhi University, Kottayam

ICSE – MES Udyogamandal School,Ernakulam*2008 – July 2022***LANGUAGES**

English (Fluent)

Malayalam (Fluent)

Hindi (Intermediate)

DECLARATION
